MEMORANDUM FOR: Deputy Director (Support)

SUBJECT: Support Requirements of the TSS Operational Program, FY '56 and '57

1. The consensus of the DD/S support components relative to subject program was that:

a. Adequate budgetary provision appears to have been made in the TSS Program for the support requirements inherent in the Program.

b. That no support requirements appear to exist in the TSS Program of such magnitude or extraordinary nature as to require adjustment of the support capabilities of the DD/S components.

2. In respect to the PRC review of the TSS Program, it is believed that no reservations or qualifications with respect to support of the Program are necessary.
